COVID19 BEST PRACTICE RECOMMENDATIONS:

1. Practice social distancing – where possible maintain a 2m gap from others (otherwise 1m will suffice)
2. Wear a face mask on all public transport
3. Sanitise hands whenever entering or leaving a new environment, and after bathroom use
4. Sanitise/wash hands at regular intervals, and encourage those around you to do the same
5. Keep work surfaces and areas clean and tidy
6. Wear face masks where you feel the need (not compulsory in the classroom)
